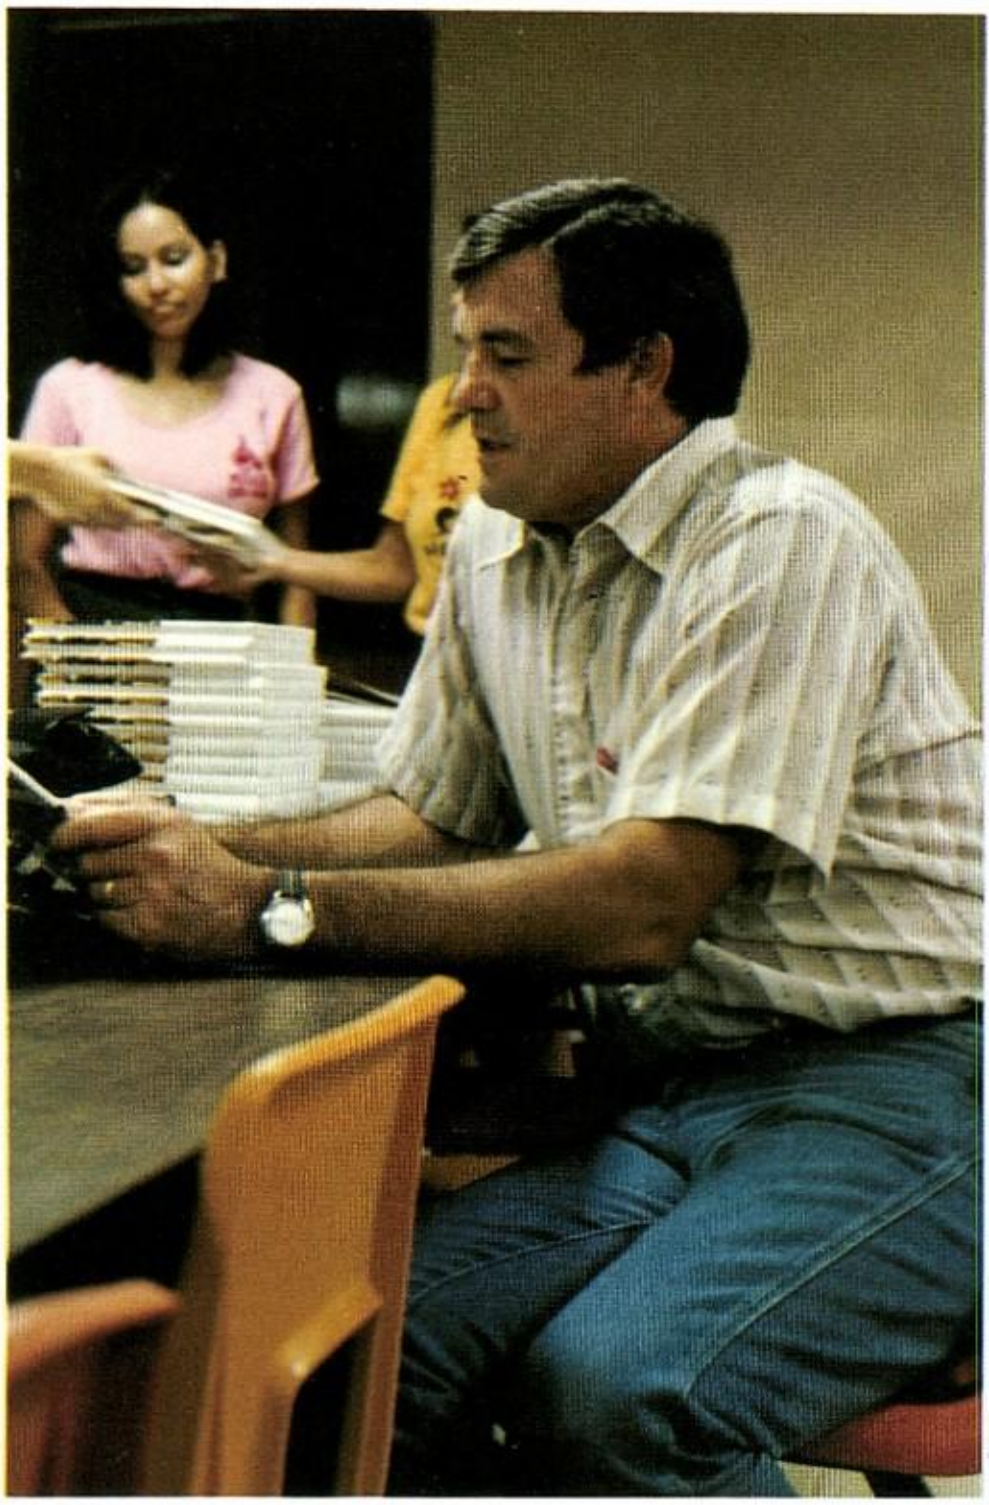
SPARK of . . .

Subjects (n., adj., sub jikts; v., seb jekts) n. 1.a. something that is the basis of thought, discussion or investigation; topic. b. material or field for study, as in a course. 2. theme of a work of art or literary composition.

We've Got It All Style, Students,

spark (spark) n. 1. small, hot, glowing particle. 2.a. short, brilliant flash of light produced by a discharge of electricity through the air. b. the discharge itself. 3. any sparkle or flash of light.

The Thomas A. Edison High School yearbook is named *SPARK*. The reason for this is the link between Thomas Edison and the "sparks" of light which generated from his light bulb. Hopefully all people who look at this book may receive the different sparks of Edison High and may always cherish them.



Scholars, Sports, Societies and SPARK!

Everybody at Edison Is Represented

The 1981 SPARK has definitely improved. We have tried to capture the special moments. Equal representation is a strong point of this book. Many of the pictures here and throughout the book remind you of everybody here at Edison High.

Edison H.S. Gets Into the Season of Football

Edison can say one thing outloud and that is SPIRIT. Many students took time out at the end of their busy day to stop by and show The Mighty Bears that they were behind them 100%. Even other athletes took some time off from practice to show that the Edison football team was a team to really yell for. The Mighty Bear Band showed great improvement this year and played at every pep rally.

Football Season Enhanced

Pep Rallies at Edison in '80 were to be remembered. They rocked Edison with a blast. They inspired the players and gave students a feeling of security in their team.

Entertainment was furnished by the Band, twirlers, and Golden Girls. This year the Rallies were held after school due to the earlier release but still students and faculty stuck together till the end.

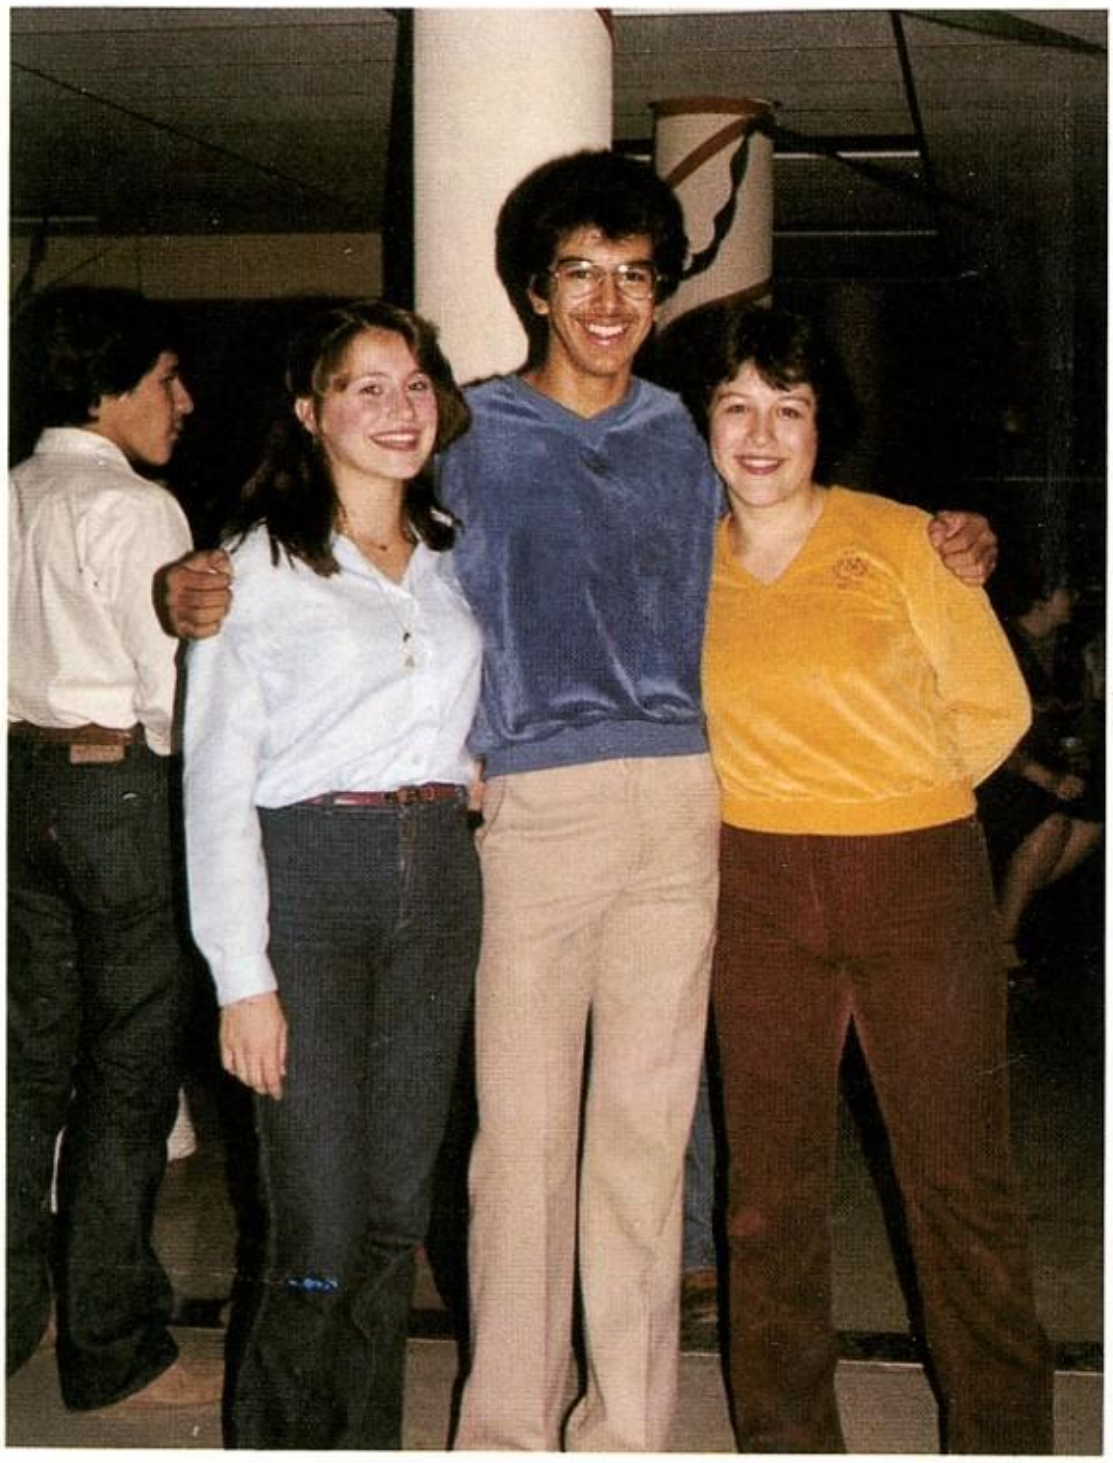
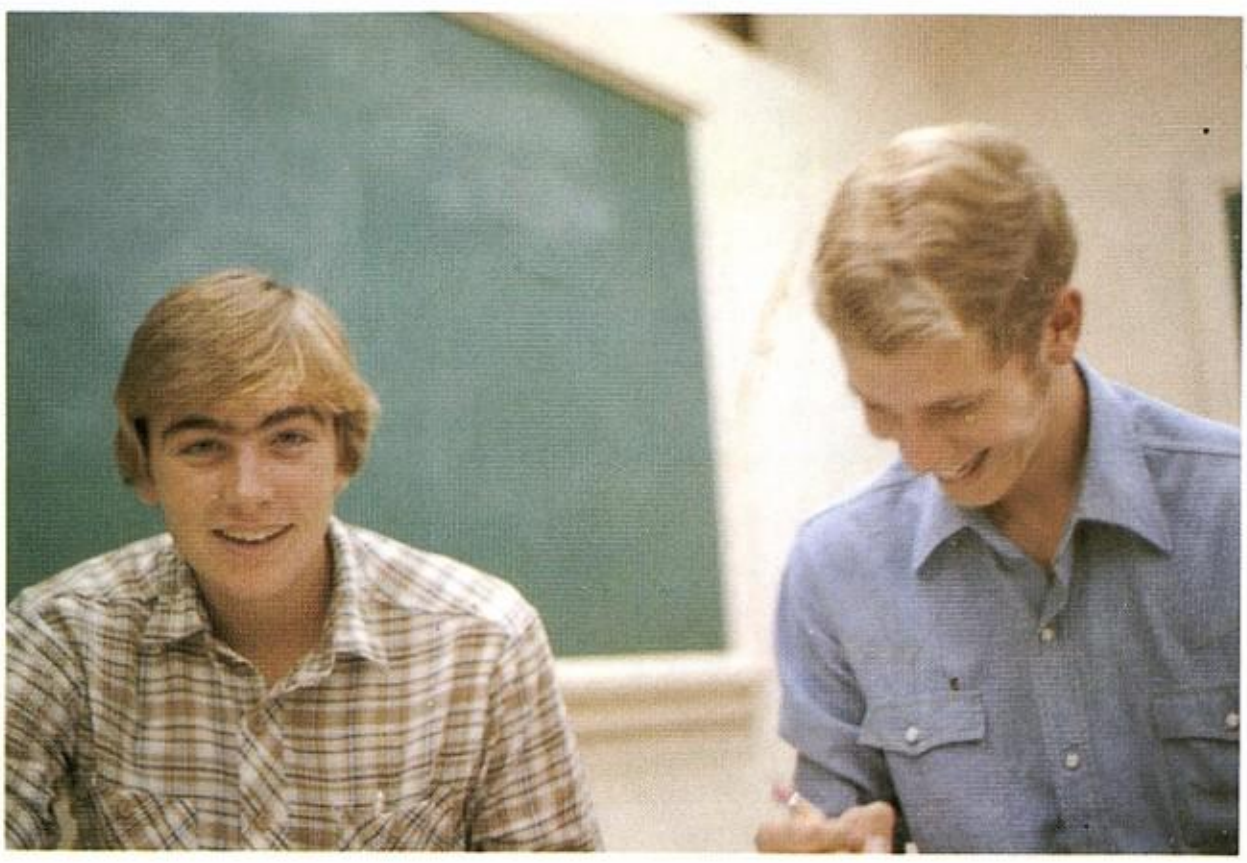
Smiles of Style





Shine On!

A Spark of Style, at Edison, had a way of lighting up the faces of students. Sparks of excitement at pep rallies, and anticipation of winning games were some that generated smiles at Edison. The Sparks of Style are what made Edison High a memorable year in 1980-1981.

The Sights and Sounds of Edison

Is there anything that Edison High School does not have? No, Edison has it all!

The many facets of education, vocational training and academics, outstanding athletes, award winning students and a variety of exciting activities, all compiled together create Edison.

The student body is very involved and supportive in Food Drives, Dances, Athletics, UIL competitions and club activities.

Edison has a great atmosphere for succeeding academically, athletically, musically, and socially.

Where am I? . . . Remember that? . . . These were a few of the expressions heard on yearbook delivery day, as students looked for themselves, friends, and fond memories of the past year. On September 15, 640 yearbooks were delivered.

Those students who purchased the SPARK will have a lasting treasury of the year 1979-1980. What a year to remember.

LIGHTS! CAMERA! ACTION!

On October 3, Club Representatives and Football players had their moment in the limelight at Color Day.

The students were entertained by the Bear Band, Feature Twirler Carla Donnell, and the Rifle Team. The Cheerleaders performed a dance routine, and the Drama Department enacted a skit, "Fruit of the Loom."

Both assemblies went well and the student body was impressed by the show.

JAM JAM

As night fell, students returned to Edison to participate in the Color Day Dance given by the Student Council. This was the first dance of the year, and the live music was provided by "Mozambique." The dance was a great finale to end Color Day, October 3, 1980.

Free At Last

On January 26, 1981, Edison High School paid tribute to the freeing of the 52 American Hostages. The ROTC raised the flag while the Golden Bear Band played the Star Spangled Banner. Student Council members lead the invocation, and President Carlos Gutierrez addressed the student body with a few words on the Hostage Ordeal. Students celebrated the hostage release by wearing yellow ribbons. The trees and flag pole were drapped with yellow ribbons also. The ceremony was a small expression of thankfulness for the safe return of the American Hostages from Iran.

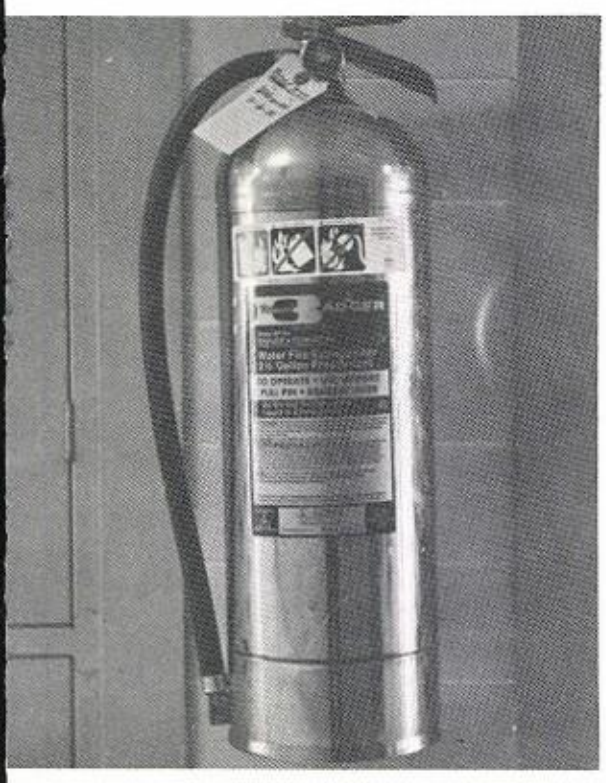
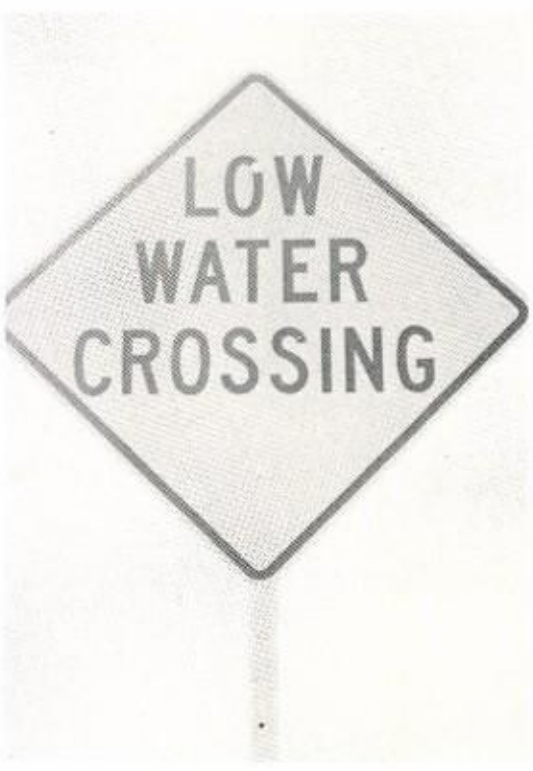
Bottom Left: I wonder if it really works? Bottom Center: Warning! Don't forget your boat. Bottom Right: Addio-Auf Wiedersehen-Au Revoir-Good-by.





Howdy Partners!

The spirit of the Old West was recreated at Edison on November 14. Students wore hats, boots, and western attire to jinx the Jefferson Mustangs. Many students participated in cowboy dress up day. John Travolta eat your heart out!

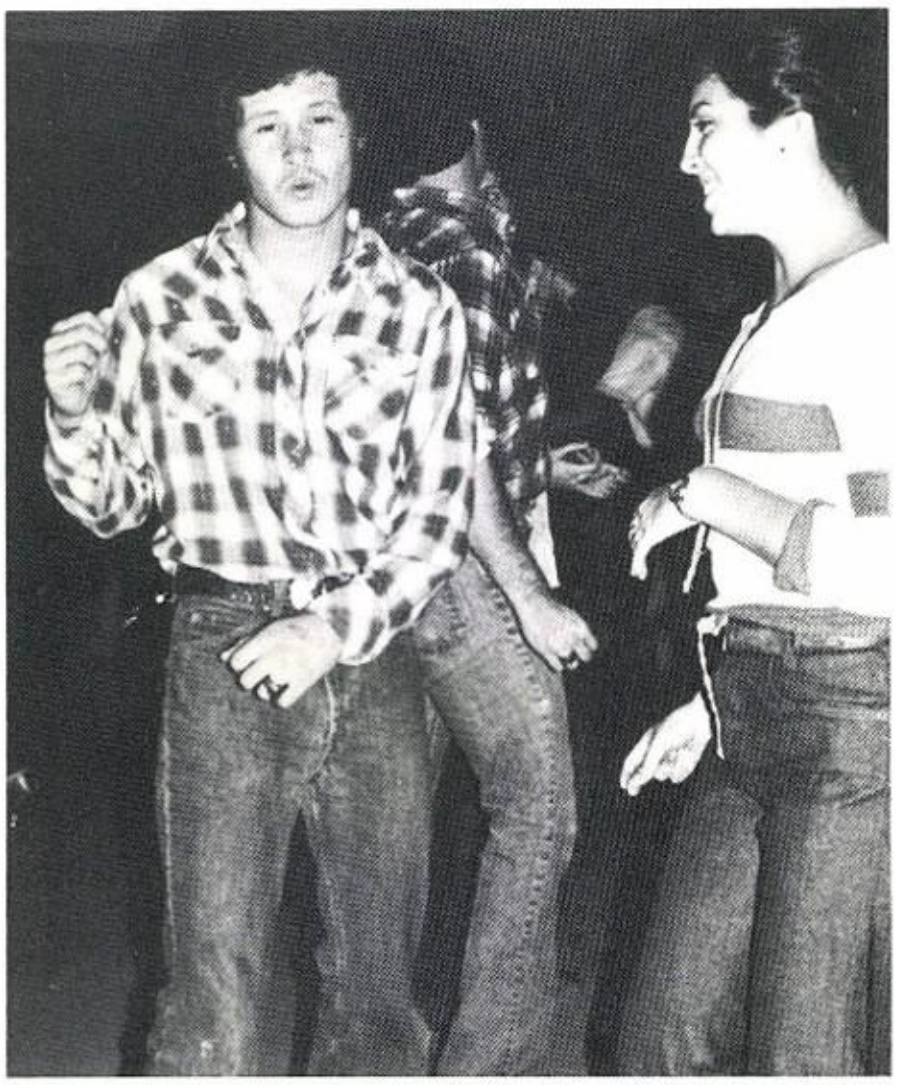
How 'bout a Little Dance?



On November 21st the Edison Student Body attended the annual Homecoming Dance. Hal Dingo King and Bobby Orlando, 2 disc-jockeys from 92.9 FM supplied a great variety of music ranging from today's Top 40 to Latino and County-Western.

This was a casual dance, and attire included Urban Cowboy, casual and dress up.

The Homecoming Dance was sponsored by the Student Council. Proceeds went to the Christmas Food Drive.

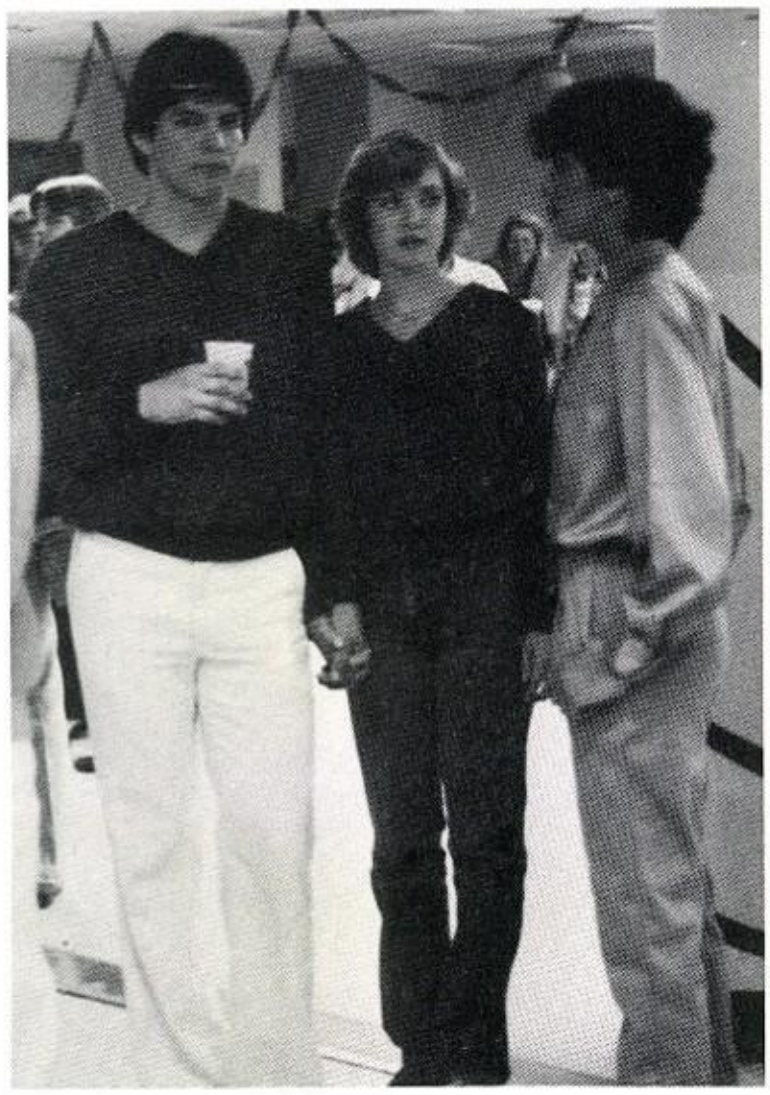
Ho Ho Ho!!!

At the beginning of December the student body began collecting money for the Student Council Food Drive. When students donated money in their 2nd period classes and organizations, they would never realized the tremendous outcome of their generosity. By Dec. 18, students had turned in an amazing amount 3,000 dollars which would be used to purchase turkeys and Christmas meals for the needy families in the community. The recipients of the turkeys were overwhelmed by the students magnanimity.

Jingle Bell; Jingle Bell, Rock, Rock, Rock, Rock

On December 18, the annual Christmas Dance was given by the National Honor Society. The increase in price did not prevent students participation. Disco Bill, 92.9 FM Disc Jockey, provided the entertainment. The money earned will help pay for the National Honor Society induction ceremony.



Upper Right: Johnny Bermea and Amanda Ricks find some time to chat with Rosie De La Cruz. Lower Left: Alex Jasso has no trouble finding dance partners, Mary Ochoa and Kim Ferris. Lower Right: Alex Ortiz finds a happy moment dancing with partner. Opposite Page: Gerald Kercheville takes his woman out to the dance floor. Merry Christmas to All

We Are Here

The Christmas spirit filled the air as the Golden Bear Band presented their annual Christmas Show. Two performances were given by the music departments of Edison: marching band, stage band, choir, and orchestra. The presentation included a variety of acts from comical skits to instrumental solos.

The student body was also given a sneak preview of the new corps style uniforms.

The Edison Christmas Band Show insured the beginning of a Merry Christmas for all.

Cadets Shake, Rattle, and Roll. . .

Like beautiful butterflies coming out of their cocoons, R.O.T.C. cadets shed their skin of rules and regulations to relax for a night of enjoyment and fun.

R.O.T.C. Cadets showed their less military side by formal attire. Vibrating music was provided by Bandago. The dance took place at the Edison hall from 7:00 to 11:00. The ball is sponsored by R.O.T.C. free of charge for cadets.

The saber line is the unique part of the military ball. Only officers are allowed to walk under the saber line. Officers are lined up according to rank and authority. Ladies who were officers or dated officers received yellow roses. Comissions were handed out by Lt. Col. Hawkins.

Behind the scene of the Military Ball a lot of work went on. Planning the dance took months of preparation and work. Money was raised from candy and candle sales.

The decoration committee headed by Yvonne Rodriquez did an excellent job on new decorations. Posters were painted, flowers and vases were bought, table arrangements were drawn up, and streamers threaded carefully.

"Love Is In The Air"

Cupid's arrow hit Edison and sparked new love on Fri. 13, the date of the annual Valentine's Dance. Hal Dingo King D. J. from 92.9 supplied the entertainment, playing a variety of sounds from rock to country. The dance was sponsored by the Student Council, with the rates of $2.50 per person, $4.00 per couple. The dance began at 8:00 and ended at 11:00 P.M. It was held in Edison's Mall.

Ice Fantasy Adds

The annual Black & Gold prom was held on February 29, 1981, in the Edison mall. The mall was decorated with snowflakes, icicles, trees, and a castle, to portray the theme Crystal Ice Fantasy.

Cindy Arnet, on flute, and Sally Tynan, on piano, entertained the couples with the Theme from Ice Castles. The athletic department and pep squad were represented in the Grand March.

The Black & Gold is sponsored each year by the Honey Bear Pep Squad.

Seniors Lead the Way

Remember now, the glory of being the leaders, the top of the school, because you have waited a long time to finally say, "I'M A SENIOR!"

It seems it was only yesterday when the Freshmen Class of '77 entered the fast pace of high school. They have come a long way to become the present "SENIOR CLASS OF '81." Led by president Frank Lopez, this year's Seniors made it clear that they were to be the best class Edison High School has ever had.

It was apparent that this year's Seniors had lots of spirit and spunk as it was shown at Edison's pep rallies, as well as in football, basketball, and baseball games. Throughout the year many were involved in academic subjects to prepare them for their lives outside of high school. On May 28 the Seniors made their final march as they celebrated their commencement exercises at the Laurie Auditorium. It was to be a night that many Seniors would never forget. Senior Class Song was "We May Never Pass This Way Again" and Class Colors were Burgundy and Champagne. The flower chosen was the White Orchid w/gold glitter. Class Motto: "The Long and Winding Road comes to an end for some but has Only Just Begun for the Class of '81."

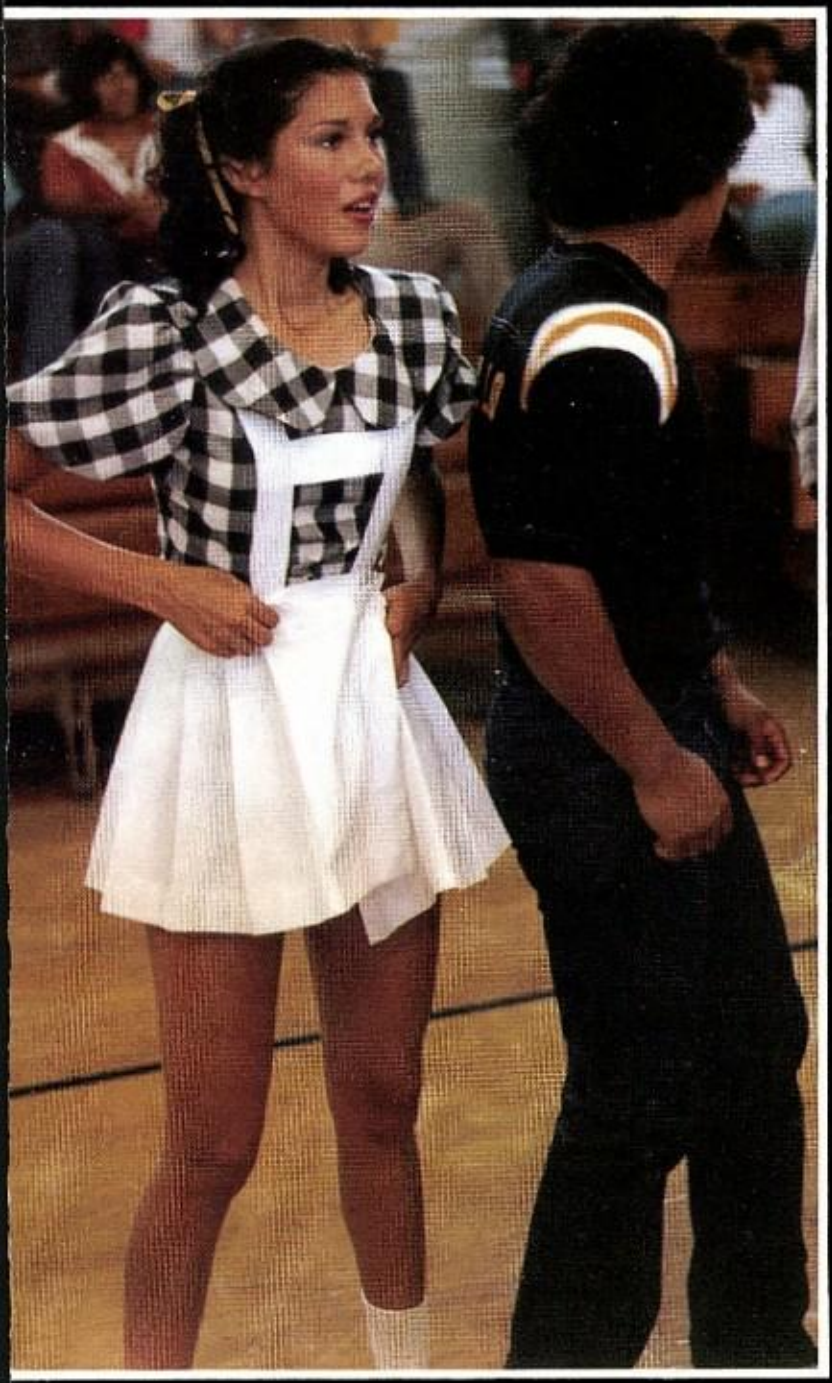
We Are Future's Children . . .



Edison's Seniors are proud to be a senior at Edison. They show their spirit, pride, and enthusiasm by participating in many activities around the school.

To show part of their pride, they voted and agreed to pay extra money for their special senior color section in this yearbook. It will be the first time to have a class section in color in the Spark's history.

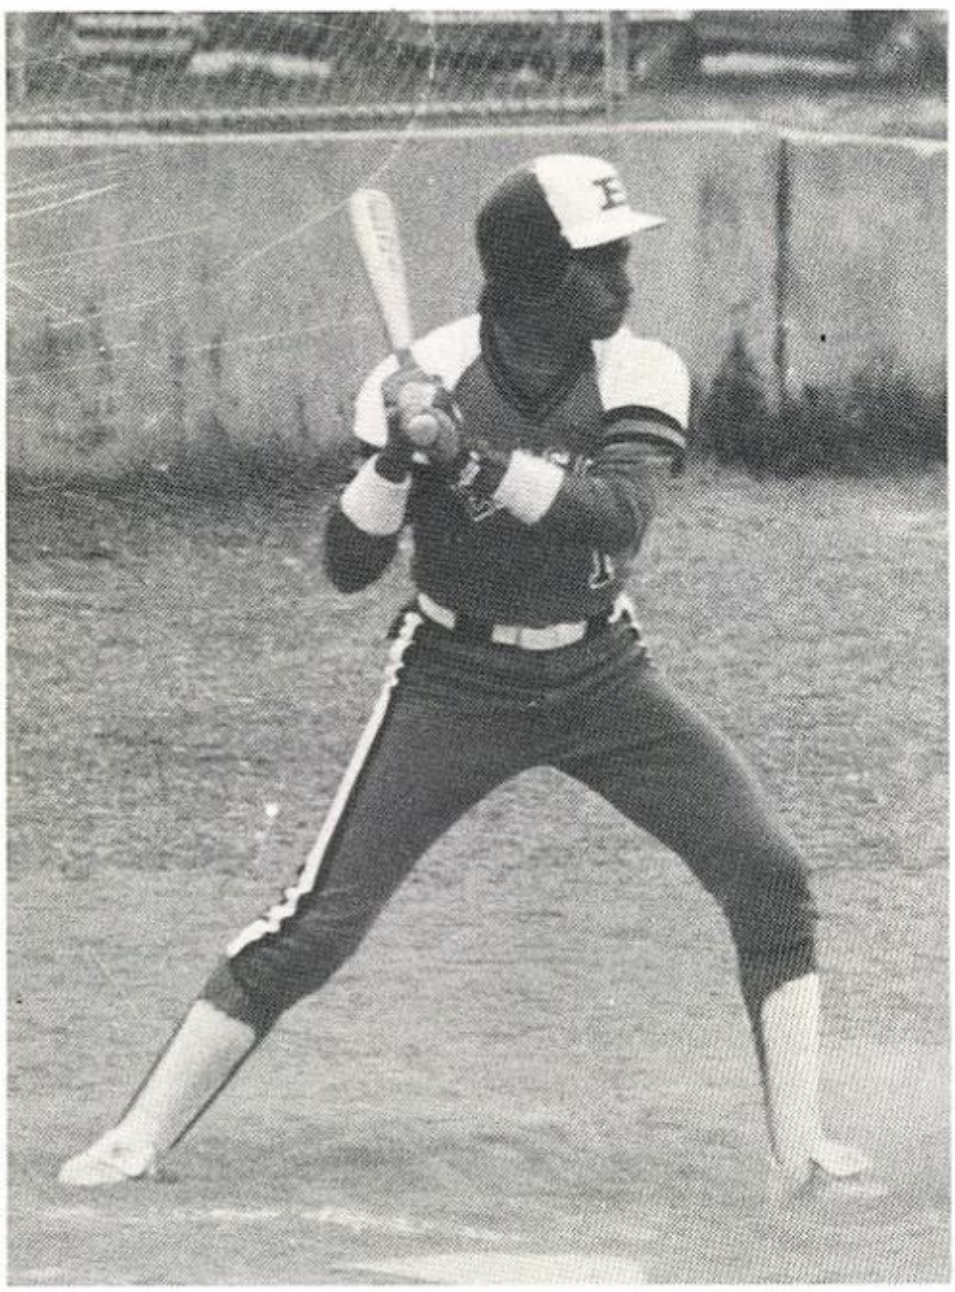
WHAT IS A JUNIOR?

As a student reaches his 3rd year in high school he begins to realize his unlimited possibilities in life. He has one more gentle year before he is thrown into the cruel world of society.

A world of hate, death, starvation, loneliness—doesn't suggest that all of us would be better off failing in high school.

Good things do come along through success, happiness, love, all the latter are very rare and only the lucky are blessed with the good things in life.

Enjoy your high school years because you'll never have the opportunity to experience them again. You pass through the hall of Edison only once. It's hard to go back.



A Touch of Class Shows Through as the Juniors Take Charge in 82

One step from topranking in class positions, the juniors of 81 will prove to be the spirited seniors of 82. What Is A Sophomore?

A sophomore is a survivor from high schools brutal freshman year. Scars possibly remain, but there is always the joy of knowing new experiences will come our way to leave permanent marks on our memory. High school improves in time and can be quite enjoyable, depending on what you put into it.

Sophomores have 2 more years in which to spark up their remaining high school life before it comes to quickly to a close.

Freshmen Arrive . . .

The transition to high school can be quite different, but the freshmen class 80-81, adjusted quickly to the surroundings.

Class members showed terrific enthusiasm in supporting Edison, by attending games, dances, assemblies and participating in band, athletics, pep squad and various organizations.

The class of 84 is very spirited and energetic, and their support of Edison, will continue in the years to come.

The freshmen class officers L to R: Sponsor-Mrs. Maria Cantu, Treasurer-Irene Garcia, Secretary-Cindi Valdez, Vice-Pres.-Michelle Morales, Center Pres.-John Garcia.

Varsity Shoot to Victory

The 1980-1981 Boys Varsity Basketball season was one of the best teams Edison has had in a long time.

In the first round of district play Edison was leading the pack and had high hopes for winning district. As the season progressed the team faced more tough teams and began to lose their placing in the race for the district title.

Those students who attended the games got their money's worth, though, because each game was very exciting, resulting in overtimes, and only a few points difference in the scores.

The E.H.S. Boy's Track Team "Took on" all they could handle this 1980-1981 season. Keith Edwards and Pablo Canales were just two of the many outstanding runners this season. Pablo made it to Regionals held in Corpus Christi. If E.H.S. keeps producing strong runners such as Pablo, the 1980's look even more brighter for the Edison track teams to come.

"How do you do the funky chicken?"

The Edison Tennis Team had an all good year, but it was more of a learning year than anything. There were some people who hadn't played before. Skills were developed and improvements were made. Swimmers Stroke to Good Season

With just fourteen members on the team this year, the Edison swim team finished their season with an outstanding record for both the girls (3-1), and the boys (2-2). The boys won the water polo district championship and came in fourth place at the district meet. The girls placing second were only eight points out of winning the district meet. The district meet was very close for all the participating teams and Edison was right on the top on setting new and breaking old district records. Along with the new individual records in the 100 fly (1:22.6) and the 200 yard freestyle (2:26.97) Sandra Gomez assisted Mary Garcia, Erin Vaca, and Vicki Bourman in setting a new record in the 400 free relay (4:45.10)

The team has put together great quality of succeeding throughout the years and since they have a lot of young players that will continue to attend Edison next year, they plan to have a very good year next year and also plan to go all the way and head for the top.

Boys Take District!

The first Edison Boy's Soccer team stunned the district by sweeping the District Title in the play-offs against Jefferson. Unlike the girls team many of the boys play on individually sponsored Soccer teams, supplying the know-how and experience. All the team needed was to put their talents together and work as a team. The grand finale, the 1st place trophy, proved they had combined talents and became an outstanding team.

The 1980-81 soccer season was the first year Edison girls participated in soccer. With no formal training the girls plunged into a district with many experienced players. The team did not fare well, but gained valuable game experience.

Regardless of the poor season there are notable players. Kathy "Tuffy" Holguin performed outstanding work as goalie. Sandra Campos was named to the first All-District team and is the promising player for the next year. Senior Laura Valdez was on the second All-District team and dubbed the "most aggressive player."

COACH OF THE YEAR

Coach Jerry Dosser has been coaching E.H.S. baseball for 15 years, he's been the only coach for Edison's Varsity Baseball. This is his third time in the play-offs and the first time to take district. "A little pitching staff, and timely hits in crucial games" is what made this year different from any other. This is also his first time to have an assistant coach. Human Sandwich—Strange Sight!!

If you saw a human sandwich walking down the hall, your eyes would probably widen! The human sandwich was a publicity stunt to advertise for the literary magazine contest.

Mrs. Carol Masser was the creator of this brainstorm, although staff members were shy and reluctant at first.

They found there were advantages, such as getting that certain guy to notice you. Contest categories were divided into art work and literacy work. Many entries were submitted. Contest winners were Carla Donnell for literary work and Primo Campos for the art categories. Spectrum is the title for this years magazine.

With a new assistant band director, Rick Ramirez, the EHS marching band switched to the popular corps style of marching. With these changes the bands' ratings jumped up to a first division in inspection and a second division in marching contest. Everyone noticed the improvement and the band was asked to play at a rally held at the Alamo for President Jimmy Carter. The band did well at concert contest as well, and received an honorable mention in the rodeo parade. After all that work the band enjoyed participating in the Battle of Flowers and Fiesta Flambeau parades and the annual band festival at Alamo Stadium.

Go for the Gold

Military Ball, A.F.I. (Annual Federal Inspection) and Field Day are special events to cadets.

"This year more physical effort was put in the decorations than in recent years," Sgt. Major said. "Go For The Gold" was the theme of the ball. All cadets are invited free of charge to the ball which is sponsored by R.O.T.C. Officers and their dates walk under the saber line. The saber line is formed by drill teams and color guard.

Cadets are given the chance to display their effeciency. The inspectors were on a tight schedule. First on the agenda was brigade staff who gave their briefing. Followed by the inspection of the whole corp and then checking of the records.

Field days purpose is to award cadets for efforts and achievements.

Sandra Martinez works on her assignment during her O.E.A. class.

The senior OEA is made up of girls who have completed one year of OEA training. Most of the girls participated in a work study program in which they work the other day. Since OEA trains students in office education, most students enter the full-time work field after graduation. Students have important jobs such as clerks, bank tellers, and other office jobs.

ALMA MATER

Dear Edison, we sing our praise for you.
Dear Edison, we love and honor too.
Our Black and Gold
We pledge our loyalty.
Long live our school
We give our best to thee.

FIGHT SONG

All Hail to old Edison,
The Black and the Gold.
Long may her colors fly.
Rise all ye sons and ye daughters too,
Her spirit must not die.
So hail to old Edison,
The Black and the Gold.
What care we for the rest?
We will give all we've got for old Edison,
The school that we love best.

PRAYER SONG

Golden Bears keep winning, for the school
That we love best, you know that
We are for you, you have more than
Stood the test. Losing days are over,
Come and fight us now, who dares.
Show them now who's shinning,
Keep on winning, Golden Bears.

I've Waited a Lifetime . .

Thursday May 28, 1981 marked the day that 420 Seniors from Thomas A. Edison High walked the stage to receive their diplomas. After a 5 hour rehearsal that morning, the commencement exercises were held at 8:00 p.m. at Laurie Auditorium, that was filled beyond capacity. The ceremony was filled with mixed emotions of joy and sadness, as the class song "We May Never Pass This Way Again" was played and sung by Donald Eller, Andrew Castillo, and Ernest Ybarra. George Leal, class valedictorian, delivered the farewell address. He reminded the graduates of the class motto "The Long and Winding Road has come to an end for some, but has only just begun for the class of '81". Many board members were present, including Dr. William Elizondo, to present graduates with their diplomas. About 15 percent of this years graduates received scholarships, grants, or loans to universities, institutions, or trade schools. The ceremony lasted a little over an hour and came to a close with a benediction, lead by Eli Valdez. What proceeded the exercises was a multitude of congratulations, and farewells among graduates, parents, and friends. Long live the class of '81!

But, yet it is hard to say good-bye for good. It's probably a relief for teachers as it is for students. But may this year always show fond memories.

The year has come to an end. This book has been an attempt to capture this year at Thomas Edison. Many great things happened here at Edison and will continue to happen with the support from students, faculty, and parents. Yes! Edison has it all, discipline from the ROTC, competition in basketball, happiness in graduation, students, active supporters, football season, teachers, the music people of E.H.S., and this year's District Champion Baseball team, plus a whole lot more . . .

From Us to You We've Got Your Spark

This book is from us to you. All the hard work and hard times that has gone into this book has been well worth it. May all the pictures and events that appear bring memories around. We have accomplished many new concepts in this book. May it become another of Edison's standards for future years.

*Many thanks to our sponsor, mother, sister, friend, companion, Ms. Lou A. Brown, the students and teachers of E.H.S.
